CAMPUS BULLETIN

March 21, 1990

THOUGHT FOR THE WEEK: *Flowers have an expression of countenance as much as men or animals. Some seem to smile, some have a sad expression, some are pensive and diffident, others again are plain, honest and upright.*

*Frances Parsons arrives at ISD on Monday March 26th, at 9:00 a.m. and will stay through March 28th, at 11:15 a.m. Frances is a Deaf author who wrote the book

I Didn't Hear the Dragon Roar. This book is a true story of her journey from Hong Kong to Katmandu-through the heartland of China. She will be speaking to Middle School and High School students.

From the Health Center: For school or extra-curricular activities - if any medical or insurance information is needed the health center will require at least one week's notice for the processing of this paperwork.

From the Audiology Clinic: Several students hearing aids are missing and in an attempt to track them down, I am asking parents and staff members to look around. If you find any hearing aids just laying around (in a desk drawer, perhaps?) and the owner is not known, please forward the hearing aids to Linda Charlebois in Audiology!

Related to the above, if any students have recently lost a hearing aid, we have several which have not been claimed. The student or the parents need to contact their audiologist or speech teacher here at ISD and report that the hearing aid is lost and provide the make model, and serial number of the aid if it is known. Thank you.

***DIETARY ANNOUNCEMENT:** On Wednesday, March 28th, in Brown Cafeteria, a retirement party will held to honor Gathis Sharp (25 1/2 Years of Service), Darlene Richards, (16 Years of Service), and Dorothy Marino, (15 Years of Service).

Come join us from 1:30 p.m. to 3:00 p.m., and help in celebrating this great occasion! Gift donations can be made to Brown Cafeteria, attention Beth Ann Mahoney, Doris Watkins, or June Welborn. Thank you!

***At 5:00 p.m. On Thursday, March 29th,** a group of students and staff will participate in the opening ceremonies of the AIDS Quilt display at the Hispanic American Center, 617 E. North Street. They will present a panel in memory of 1982 ISD graduate Jim Stafford to Mayor Bill Hudnut during the program which will be interpreted. Jim's panel will be added to the Names Project Quilt which is on tour of American cities. 300-500 of the over 12,000 panels will be on display in Indianapolis through April 1st.

CONGRATULATIONS!! are extended to David Reynolds (Bilingual/Bicultural Coordinator) for his appointment by Governor Bayh to the Governor's Planning Council for People with Disabilities. David will serve as a member on this Council to represent people who are hearing impaired. Wishes of success for the challenges ahead!

Marty Fisk (Clinical Services) would like to extend a **thank you** for all of the help and concern extended to her during her family's recent tragedy.

Library - Missing Magazines - Recently, several magazines have been removed from the library without permission. Please return these magazines as students often need these materials for research projects. We are currently missing several issues of Sports Illustrated, Seventeen and People as well as the sports sections for the daily newspapers. If this pattern continues the library will have to re-evaluate these subscriptions and the accessibility of these materials to the students. *Reminder - Spring Book Fair next week, March 26-29th. Remember to bring money for books and posters. All proceeds benefit ISD libraries.*

Good Movies: DO THE RIGHT THING, LEAN ON ME, STAND AND DELIVER: Here are titles of 3 good films that are captioned. Each film deals with the issue of culture. The last 2 films are about the education of minority students. All 3 films have important messages and we encourage you to watch them! - Ann Titus & David Reynolds.

RETIREE LUNCHEON: We would like to remind all staff that we are collecting money to defray the cost of the 4th Annual Retiree Luncheon on April 18th. Staff members who "Adopt a Retiree" will be showing their appreciation for the years of service these persons have given to ISD. It's a small token to say "thanks." Your building representatives will be contacting you soon if they haven't already.

ISD *POTPOURRI:*

From the *PRESCHOOL* Department: The Preschool Department is in need of grocery bags - Please help!

From the *ELEMENTARY* Department: On the 27th, Elizabeth Foster's class takes collected pop cans to recycling center; then on to McDonalds to spend their earnings. On the 28th, Sondra Gullion, Pat Pullum, Linda Groogan & Betsy's classrooms go to Pizza Hut for the "Book-It" Program.

By the way, all of the children did a great job in the St. Patrick's Day Parade on the 16th. Special thanks to all of the teachers and staff for their tremendous contributions to this event. *[Trivia: 5 years ago, a dozen Deaf School students marched in their first downtown St. Patrick's Day parade. This year, 130 elementary students and 30 teachers took part in this event. This was the 2nd year for the float.]*

From the *MIDDLE SCHOOL* Department: Middle School Girls Track starts Monday March 26th. If you want to have fun and get into shape, contact Beth Fields or Tami Cartwright. The girls will practice everyday Monday through Thursday from 3:15 to 4:40 p.m.

From the *HIGH SCHOOL* Department: Social Awareness Day is March 29th, and they will be devoting one afternoon to heightening the students' awareness of certain social issues that have been the topics of their recent language units in High School. Eight concurrent sessions will be presented. Students will have 25 minutes to discuss each topic, ask questions and view displays researched by each English/Language class.

From the *VOCATIONAL* Department: IS YOUR LAWN MOWER READY??? The small engine classes will begin accepting student/staff equipment for tune-ups or other types of repairs. There is a $3.00 shop fee and the "customer" is responsible for purchase of oil, parts, etc. Blades will be sharpened for $1.00. Please contact Steve Rifner (ext. 157) if you have any questions. *P.S.: The grass is growing already and spring break is only 1 week away so don't wait until the last day if you don't want your mower in the shop over vacation!*

DID YOU KNOW THAT? In 1836 **Samuel F. B. Morse** invented the telegraph and indirectly began the chain of events that led to the founding of Gallaudet College, the only college for the deaf in the world.

Morse was married to a deaf woman. He spoke to her by tapping his fingers in her hands. Morse hired Amos Kendall to be his financial manager. When Morse was first experimenting with the telegraph, a line was strung from the Library of Congress in Washington to Baltimore. This line ran through Kendall's Northeast Washington estate. Over this line, on May 24, 1844, flashed the immortal words "What Hath God Wrought?"

Both men became wealthy from the Morse Telegraph. Kendall donated much of his wealth to the interests of deaf people. He started the Columbia Institution for the Instruction of the Deaf and Dumb and Blind on his beautiful and spacious estate, offering some land and a building. Kendall also made a generous contribution to the construction of the Calvary Baptist Church in the City. For many years this church has had a class for deaf persons.

Remember - Use your library - 1990 National Literacy Year! Education does not end in the classroom - it begins.

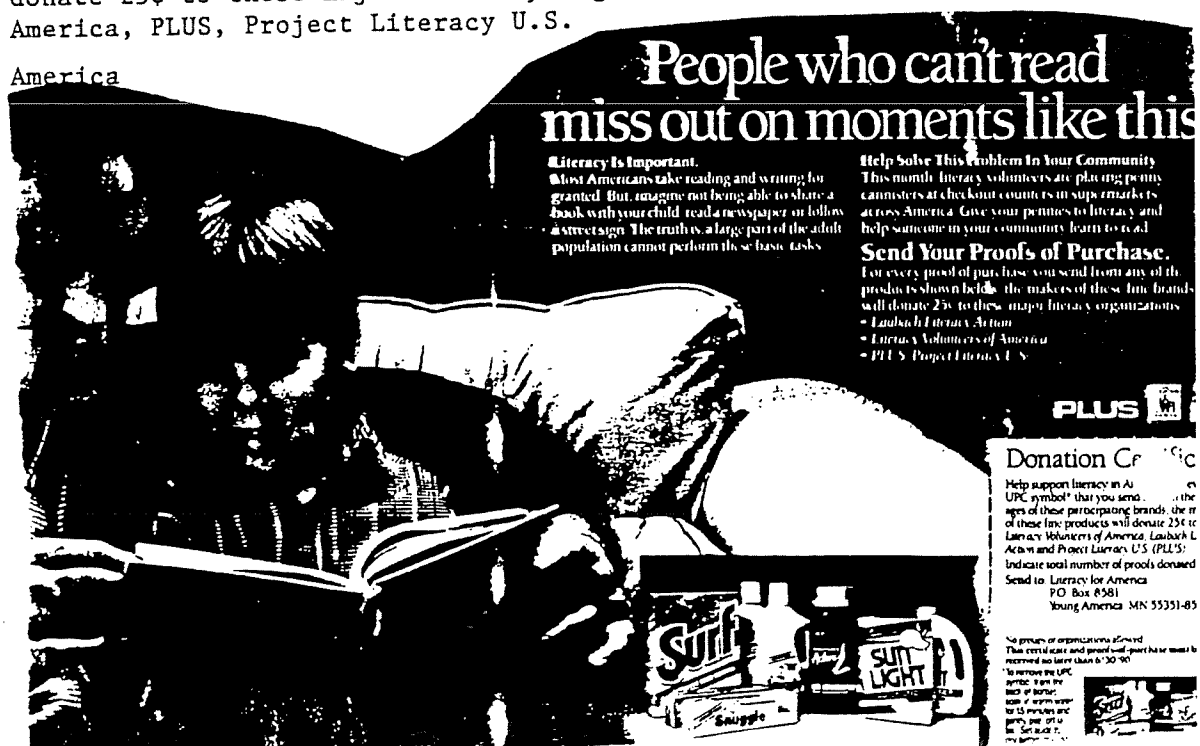
LITERACY IS IMPORTANT!



People who can't read
miss out on moments like this
Literacy Is Important.
Most Americans take reading and writing for granted. But, imagine not being able to share a book with your child, read a newspaper or follow a street sign. The truth is, a large part of the adult population cannot perform these basic tasks.
Help Solve This Problem In Your Community
This month, literacy volunteers are placing penny canisters at checkout counters in supermarkets across America. Give your pennies to literacy and help someone in your community learn to read.
